

Cooking with appetite

Designed for those who want to LEARN not just HOW TO COOK but also the finer points of quality produce, we created the COOKING WITH **appetite** series of culinary demonstrations. Partnering Chef Jimmy Chok, we will be featuring free range chicken for the month of JUNE, sharing with you insider product knowledge, and the best ways to prepare it at home.

Jimmy Chok

This award-winning chef is well-known for his down-to-earth approach to fine cuisine. He strongly believes that just as good food should be shared, the know-how should also be spread amongst the like-minded. Through the Cooking with **appetite** classes, he is excited about educating a wider group of consumers on the finer points of good food.
